

## >> my confession

I confess my guilt  
and I will take the responsibility  
for every sin I've done

I confess my sins  
as a sign for my fleshly weakness  
I'm just human

I confess my weakness  
The weakness to resist  
any temptation of a relieving crime

I confess my crimes  
I've done to my enemy  
based on an instilled hatred

I confess my hatred  
my hate for the human  
my hatred for god

I confess my love  
to you...sweet death
